Case No. 6:15-cv-918-JRG-KNM

**ORDER**

Opportunities for junior lawyers to speak in federal court are increasingly rare. Cognizant of the fact that it is everyone’s responsibility to assist in providing experience to our next generation of lawyers, this Court strongly encourages the parties to seize those opportunities, when available.<sup>1</sup>

With that in mind, the Court has currently set the *Markman* hearing in this case for January 31, 2017. To the extent that any party planned to submit any of the disputed terms on the papers alone, the Court will grant additional time to argue those terms, if they are argued by an attorney with seven or fewer years of experience.

So ORDERED and SIGNED this 18th day of January, 2017.

K. NICOLE MITCHELL  
UNITED STATES MAGISTRATE JUDGE

<sup>1</sup> This is especially true when the junior attorney has taken an active role in preparing the brief. If needed, the Court will allow multiple attorneys to speak on an issue.
